

## Participation Agreement

The Langley Rivermen have been working hard to enable a safe return to hockey for the 2020/21 season during the Covid-19 pandemic. For us to facilitate safe hockey for our team, we will require the support of all players to abide by the following:

- I agree to symptom screening checks and will let my team COVID officer know if I or anyone in our household has experienced any Covid-19 symptoms in the last 14 days
- I agree to stay home for 14 days from point of onset if experiencing any Covid-19 symptoms
- I agree to sanitize my hands upon entering and exiting all Rivermen events with soap or sanitizer
- I agree to follow social distancing protocols of staying at least 2m away from others while participating in Rivermen events. When social distancing isn't possible, I agree to wear a mask
- I agree to abide by BC Provincial Government mandates
- I agree to bring my own towel, soap and personal items and to bring them home with me each night
- I agree to arrive at the arena no sooner than 15 minutes prior to events and to leave within 15 minutes after the ice time.
- I acknowledge that I have reviewed the Rivermen's Return to Hockey protocol found at [www.langleyrivermen.com/about-us](http://www.langleyrivermen.com/about-us)
- I acknowledge that abuse of the policies and or guidelines may result in a temporary suspension
- I acknowledge that there are risks associated with participating in hockey events and that measures taken by the Rivermen including the Return to Play Covid-19 Response Plan will not eliminate those risks.
